*Bourse Direct publishes consolidated financial statements since 1 January 2022

The Group's financial situation has not changed significantly since the publication of its 2022 interim financial report.

The variations in income statement items at current exchange rates are calculated on the basis of the average rates for the period compared with average rates for the previous period when translating the currencies of the Group's consolidated subsidiaries. The variations in income statement items at constant exchange rates are calculated using the average conversion rates of period N-1 over the two comparison periods.

VIEL & Cie comprises three core businesses in the financial sector: Compagnie Financière Tradition, with a presence in over 30 countries, ranked third top global player in the IDB sector with over 2,400 employees worldwide, Bourse Direct, leader in the online trading sector in France, and a 40% equity accounted stake in SwissLife Banque, operating in the private banking sector in France.
